

The Kansas City Woodturners Association announces:

# Basic Xmas/Holiday Spindles

## Class

Taught by Professional Woodturner

## Anthony Harris

This will be an informative and intensive three-afternoon (12-hour) class designed for beginning and intermediate woodturners. Keeping with the season, this class emphasis is Xmas/Holiday spindles. See the next page for sample spindles similar to what you will be turning in class. NO club membership is required and everything is provided. You will learn about the wood lathe, working safely, and sharpening your lathe tools. You will learn and practice the five cuts every woodturner needs to know. Even seasoned woodturners can get a lot from this class. You will turn a different project every class day. You will be a safer and more proficient woodturner by the end of this class. Please see the attached class outline.

This class will be held on three afternoons in December 2020: Sun 12/6, Sat 12/12 and Sun 12/13 from 12:30pm to 4:30pm in the KC Woodturners lathe room, 3189 Mercier St., KCMO.

Tuition is \$175 per student. Class is limited to 8 students. All wood, all woodturning tools, and use of a wood lathe will be provided. You don't need to bring anything unless you have favorite personal tools. No tuition refund after the first class has begun.

Class is limited to 8 students. To reserve your place you can pay using PayPal at: <http://www.kcwoodturners.org/Class/BasicSpindles8.html>

-or- Mail a \$175 check to KC Woodturners at 14738 W 80th St, Lenexa, KS 66215 and email Kevin Neelley at [treas@kcwoodturners.org](mailto:treas@kcwoodturners.org)
