

Eli Avisera is coming to

August 18th and 19th

Eli Avisera grew up and lives in Jerusalem and has been a professional woodturner since 1977. Eli is a leading woodturning artist in Israel. His creative and delicate art works have attracted the attention worldwide. However, he is more than an artist. In 1988, Mr. Avisera has established the "Wood Craft Center" to encourage more people to learn about the beauty of wood-making. Eli has demonstrated at several AAW Symposiums and other major Woodturning Events.

Sunday, August 18th, \$25.00 Demo starts at 9:00am

Eli will begin by demonstrating his technique used in making the square wall hangings. He will show how to make the off-center stick figures and, if there's enough time, how he creates his finely decorated platter. Lunch is on your own.

Monday, August 19th, \$100 Hands-On starts at 9:00am

Eli will take you step-by-step through the process of making the stick figures and the decorated platter. Some lathe experience is helpful. Wood is provided. Limited to 8 students. Lunch is furnished.

Both events will be held at the KC Woodturners Clubhouse at 3189 Mercier KCMO.
