

KCWT's TENTH YEAR AT THE IRISH FEST

KANSAS CITY'S *Best Festival* LABOR DAY WEEKEND

SEPTEMBER 2 (FRI), 3(SAT), AND 4(SUN)

Our first year we faced a bit of a problem - lots of water and a crushed tent but we had a guardian angel. New space, new tent and we had it made.

Art in the Park

We are in Washington Park and will, again, have a wonderful location with shade and plenty of room. Last year was our best yet with lots of KCWT participation, lots of items to sell, a great deal of camaraderie, and we still have our guardian angels, two of them now.

What we need this year are members to help with set-up, take care of customers at the tent, do some turning, and take down and return equipment to KCWT. You can sign-up on line, in our website on the home page in the left column, use Signup Genius.

We can also use some items to sell. Again if you want to donate to the club it will be most appreciated. If you are looking to sell items for you, the club will get a percentage. More information will be forthcoming.

SET ASIDE SEPT 2,3,4 to help and support KCWT in this event.
