The doors will open at 6:00 P.M. for the purpose of taking in items and allowing everyone to view the items to be auctioned. Each person will be given a bidder number at the door and a paddle with that number on it that they will use during the auction. This will allow the action to move at a smooth pace and the keep the interest of everyone higher. We are asking each and every member to donate at least two items to the auction. The items need not be woodworking related. How about that extra coffee pot or that clock that would be good for the shop? Please use your imagination but not that old sweater, only functional items.

The auction is open to everyone, Please bring a friend. All profits from the auction go into the club account to provide \$ to enhance future club activities with equipment and materials. Everyone will profit from a **big auction sale**.

We will take cash and checks. Sorry we. Don't take American Express (stolen from Anthony). Donated items will be placed in one of two priced related categories for the sake of the auction. The **BIDDING MIMIMUMS** will be in \$.50 increments for the smaller items and \$1.00 increments for the higher priced items.

A used 150 grit sand paper will never become a 220 grit. It remains a dull 150.
