NOTICE:

THE AUGUST MEETING DATE IS CHANGED TO MONDAY AUG. 21 - 6:30 PM. WE WILL HAVE A SPECIAL PROGRAM BY WILLARD BAXTER. SEE FUTURE NEWSLETTERS FOR MORE DETAILS. MARK YOUR CALENDAR

July Meeting Program

Russ Blaser, a Kansas City Woodturner member and well-respected turner, will be the feature demonstrator at the July meeting. He will be demonstrating his techniques for turning a natural edge bowl. This will be a very informative presentation and it will be an opportunity to get your questions answered on how to turn a natural edge bowl successfully.

Hands-On

Dan Moreno will be giving us an opportunity for hands-on using the One-way Termite Tool. Learn how to use the tool for smoothing the bottom of your bowl and making those end-grain cuts.

July Meeting Volunteers

Refreshments & Cookies:

C.P. Huycke
Dan Moreno

Set-up and Clean-up

Dan Moreno
John Shackelford

NOTE: If any of the volunteers are unable to provide for what he/she has signed up for, it is his/her responsibility to find another member to take his/her place. Thank you for adhering to this rule.

Attend the Saturday Workshops

The Saturday Workshops are held the **fourth Saturday** of each month.

8:30 am – 12:30pm.

The club will offer the use of the club's lathes at Consolidated Lumber. The door will be open to anyone who wants to come and turn. (Please bring your own wood and tools).

Annual Auction

Mark your calendars. Our Sept. 11th, meeting will again bring Eddie Powers to be our auctioneer at our annual auction. More details to follow in future newsletters.

Treasurer's Report for June

We currently have \$ 2935.00 in our treasury.

We Welcome Our New Members

Bill Anderson
Gary Hagerty
David Hughes
Tom Vanderford

And want to invite Chris Kunzle's dad back again.

Point Workshops

Show and Tell

Alex Garcia brought in (5) very nice turnings. Cherry platter, Hackberry natural edge bowl, and a box made from Purpleheart crating material. A very nice purple heart finial box, and last but not least a Claro Walnut box. Good job of turning. **Bob Davis** added a new detail to his work. Termite trails, complete with termites, were incorporated in his beautiful Cherry bowl. A good looking natural edge bowl was shared by **Chip Siskey**. Thanks for bringing it in. **Chris Kunzle** brought two old tools for show and tell (or show and ask?) What are they? And it's still a mystery. Guesses were made but no decisions. **Don Gruis** shared a source of hand blown glass globes to be incorporated in our turnings, and brought in one segmented, and one walnut holder he had made for a glass globe. **Pete Stiglich** has been busy in the metal shop. He shared several tools and parts he has manufactured for his equipment. **Kevin Neeley's** segmented bowl had over 100 pieces of segmented Maple, Paduak, and other exotics. A very nice job, Kevin. **Kent Townsend's** hand is out of the cast and he turned a very nice Spalted Hackberry natural edge bowl. My apologies go to anyone left out or for any incorrect information. Please keep bringing your turnings, and other wood related projects or turning information you may have to share.

John Shackelford is turning green. Mesquite natural edge bowl and hollow vase using his laser. Very stable wood. **Russ Blaser** shared a hollow vessel of spalted Beech.

Thanks to Dan Bryan

Dan Bryan's fine presentation of top turning was a treat. He showed his technique in turning, coloring, and use of a chatter tool when making his tops. Thank you, Dan, for another great demonstration.

Farris Turning Point Workshops

July 14-16 Grain Valley, Mo.

August 18-20 Grain Valley, Mo.

Auction winners were Pete Stiglich and Russ Blaser

Classified
