ANNUAL AUCTION A BIG SUCCESS

Due to donations and the generosity of our club members and supporters, the Kansas City Woodturners Annual Auction was a big success. Over \$1300 was raised due to the efforts of our members and the excellent response to our auctioneer, Eddie Powers. We want to thank Eddie for his entertaining way of getting us to spend our money and have fun doing it. We want to thank Dick Woodhouse for his leadership this year in putting the auction together. He, in turn, wants to thank a number of people that helped to make the 2000 auction a BIG success. A special thanks to: Jerry Darter, Mary Davis, Bob Davis, Alex Garcia, Don Grimes, Chris Kunzle, John Larson, and Tracy McCarty. The auction was a success because of the donations and the bids that everyone was so generous in making. Thank you for supporting the future of our club.

NEW GRINDING SET-UP

Thanks goes to John Shackelford for getting our new grinding and sharpening system set-up and ready to go. It is now available for our club use during the Saturday workshops.

LATHE DONATED TO CLUB

A very special donation to the club was made recently of a lathe. We want to thank member Bill Anderson for his generosity to the club of this very nice lathe. A lot of his time went into refurbishing it.

It will be put to very good use. Thank you Bill for your gift.

Because of the auction there were no show and tell items to be shared, so bring your projects to the October meeting. We always look forward to seeing them.

OCTOBER MEETING AGENDA

Jeff Farris will be our featured guest at our regular October meeting. He will be demonstrating the Tormek sharpening equipment. Jeff Farris is owner of Farris Machinery and shows his sharpening equipment all over the United States at different tool shows. Make sure and make this meeting, you will want to see and hear him talk about one of our most important pieces of equipment, our sharpening systems.
