You are in for a great time. Eddie Powers again will be our auctioneer for the club's annual auction. The doors will be open at 6:00 pm for donations and the auction will start sharp at 7 pm. Many of our commercial sponsors have donated new woodturning tools and supplies to the auction. And as in the past members are encouraged to bring in any surplus items they may have in the garage, workshop or anywhere else. If you don't have any extra items, just bring yourself and join in on the bidding.

SATURDAY WORKSHOPS

There are two workshops per month. The second and fourth Saturdays of each month. Held at our regular meeting place. Doors open at 8:30 am and go to around noon. Club Members

have donated their talents and time to share with others. Come on out and join us.

Second Saturday: The workshop for this month will be our symposium. No regular workshop will be held.

Fourth Saturday: The usual coffee and help time.

THANKS TO FRANK.
Frank Novich was the host for last month's fourth Saturday workshop. It was the "grand opening" of his new shop. If you didn't attend, you missed out on a great time and great food.
