(913) 341-4613

Pete Stiglich
(913) 342-9133

Camera:
Don Grimes
(913) 962-2060

NOVEMBER PROGRAM
“SHOW AND TELL”

We will have our regular “show and tell” of the pieces club members have been turning, (there will probably be some inspired by last month’s symposium.) The program following the show and tell will be another “Show and Tell”. Please bring tools, jigs and ideas you have stolen, invented or ideas that you have come up with to use in your shop.

“K.C. WOODTURNERS
SYMPOSIUM”

Thanks again to all those who helped to make the first (annual?) Kansas City Woodturners Symposium a success. Treasurer Bud tells me we had 50 folks registered, 45 club members and 8 visitors as far away as Texas, Nebraska, Iowa and the Missouri Bootheel. Our three turners claimed to have enjoyed the weekend with us and I think they did. Merle

AUCTION IS BIGGEST
EVER

Our annual auction had to be the biggest financially and item wise to date. Dick Woodhouse put in a lot of time and effort into making it the success it was. Don Gruis was an entertaining substitute for Eddie Powers. Don’s performance brought our total income to over \$3,100. Thanks to all who brought in items and took home items.

SURVEY

We will conduct a survey again this year at the November meeting. It will help your new Board of Directors plan club programs and events for 2004.

Contact: 941-379-6302

February 13, 14, 15

"Woodworkers Tool Show"
Overland Park Trade Ct
Overland Park, Kansas

SATURDAY WORKSHOPS

There are two workshops per month. The second and fourth Saturdays of each month. Held at our regular meeting place. Doors open at 8:30 am and go to around noon. Club Members have donated their talents and time to share with others. Come on out and join us.

November's Second Saturday Workshop

will be taught by Judy Chesnut and Ed Maxwell. They will be teaching us how to make miniature bird houses that can be used as Christmas tree ornaments. Each part of the process will be done on a different lathe, thus allowing more people to participate at the same time. Sounds like fun, come on out and join us. Wood and tools will be furnished, so all you need to bring is you.

OVERLAND TOOL'S SHOW

Woodhouse put a team of club demonstrators together to do turnings at Overland Tool's tool show in October, giving about 14 club members a chance to develop their demonstration skills. A big thanks to Dick Woodhouse.

EDUCATIONAL OPPORTUNITIES

Local classes are taught at:

Paxton's Woodcrafter's Store
