**DECEMBER MEETING
IS THE HOLIDAY PARTY**

On December 8th (our regular meeting night) we will have our annual party with a gift exchange. It will be a great time to fellowship with our woodworking friends. There will be a gift exchange too. If you want to participate in the exchange, bring a gift that you would like to receive from someone. The exchange is done with a drawing of numbers and has been a great deal of fun in the past.

We will have wine cheese, crackers, summer sausage, cold and hot drinks on hand. If you have something you would like to bring to share, please do so.

Your spouse, boy / girl friend is also invited to come along for the fun.

**NO SHOW AND TELL AT
DECEMBER'S MEETING**

Save your projects for January's show and tell.

**LAST MONTH'S SECOND
SATURDAY WORKSHOP**

Ed Maxwell and his bird house Christmas ornaments were a hit. Good demo, made it easy for the class to duplicate his efforts. Ed had lots of fun and now thinks he would like to do another one. That's what it's all about, learning by doing.

**CHRISTMAS TREE
PROJECT**

If you were not able to make it to the fourth Saturday with your item(s) for the Builders Resource tree, please bring them to the December meeting and we will hang them on the tree.

AMERICAN ASSOCIATION

PRESIDENT

PHIL BRENNION

IN K.C.

IN JANUARY

A reception is planned for AAW 2004 President, Phil Brennon. It will be hosted by Turn About Wood, and will be held at 5312 NE Chouteau Trfwy, Kansas City, Mo. (4 doors down from the store).

Finger foods and coffee will be provided.

It will be a great opportunity to meet the president of our chapter's affiliation.

He is looking forward to meeting as many of the members of the local clubs as possible.

All turners are invited. Call Dan or Sandy for more information .

Contact: 941-379-6302

February 13, 14, 15

“Woodworkers Tool Show”
Overland Park Trade Ct
Overland Park, Kansas

SATURDAY WORKSHOPS

There are two workshops per month. The second and fourth Saturdays of each month. Held at our regular meeting place. Doors open at 8:30 am and go to around noon. Club Members have donated their talents and time to share with others. Come on out and join us.

December's Second Saturday Workshop

December we will take a look at different ways to make tops. You will need to bring a spindle gouge and a roughing gouge along.

Fourth Saturday Workshop is December 27th. We know this is right after Christmas, but the doors will be open at 8:30 if you want to come and turn, sharpen or just visit.
