Annual AAW Symposium comes to Kansas City

The Annual AAW symposium is the highlight of the woodturning year. The meeting is in a different location each year, rotating throughout the regions of the continental United States. The symposium has become the most attended woodturning event in the world.

July 22-24, 2005 the symposium will be held the Overland Park Conventions Center. Many volunteers will be needed from the local clubs to assist in putting on this show. Look for volunteer opportunities in future Wood Chips

The club auction was the most successful auction to date. \$3332.75 was raised for the club. Thanks to all who participated.

December Christmas Party

The December meeting will be the clubs annual Christmas party. Put December 13 on your calendar and plan to attend. Friends and wives are invited to this meeting. A gift exchange will be held at this meeting so be thinking of a gift to bring.

Arrowmont Program Information

Arrowmont strives to make its classes available to everyone regardless of financial status or skill level as an artist. We offer several programs for students to offset the cost of attending a class. Listed below are opportunities that may have interest to your members or others you might know.

Scholarships are awarded based on financial need and letters of recommendation.

Friends of Arrowmont provide several \$200-\$400 scholarships. The Steven E. & Carolyn J. Gottlieb Woodcraft Scholarship provides a financially deserving student pursuing woodturning an all-expense paid opportunity to attend Arrowmont. Preference will be given to students 18-23 years of age, but all are encouraged to apply.

Studio Assistantships & Work-Study

These programs are a work exchange-one week of class for one week of work assisting faculty or working in the kitchen, maintenance, housekeeping and & supply store. Students may commit for the entire season (spring, summer or fall) or for lesser time increments.

Artists-in-Residence Program

Five pre-professional artists are selected annually for the 11-month program that begins in June each year. One position is designated for a woodturner through the Robyn and John Horn Resident Artist Woodturning Endowment.

If you are willing to donate your time, talent or services, you can get involved in the project by heading to your local Woodcraft store on November 11th. You can assist us in providing beautiful writing instruments for our military stationed in foreign countries! Woodcraft stores are also serving as drop off points for pens that are being made outside of the stores.
