Librarians:

Dick Smith
(913) 341-4613
Pete Stiglich
(913) 342-9133

Camera:

Don Grimes
(913) 962-2060

Beginning Saturday February 12, the Kansas City Woodturners Club will meet in its new location in the basement of the current building. Jim Lambie, our president worked with the owners of the building to allow us the space directly under our previous location. The new space is larger, with better lighting, and will allow more comfortable seating.

The entrance is about half way down the west side of McCray Lumber. A bump out on the west side of the building houses a stairway leading down to the basement. The door at the bottom of the stairs leads directly into our new meeting room. Make sure you come and check out the new space. Parking is available on the west side of the building closer to the entrance.

Annual Tool Show

February - Must mean the Annual tool show

Remember the 2005 tool show will be March 4 through March 6th. Thank you to the volunteers who agreed to set up for the show on Thursday March 3rd. Make sure you know which days you are demonstrating or staffing the booth. We still have 8 demonstration slots unfilled so please help us fill up those slots. We also want to show off your work in the display. We need your wonderful pieces for display so the public can see the great pieces

emerging from our club members. The display pieces are removed from the cases and locked up each evening.

We need your help to make this event a success. Thanks to all of you who already agreed to participate. For those of you who are a little hesitant, well, you will be missing a fun time with folks who love turning wood...so sign up by contacting Deb Ortega at deborao@ku.edu or 785-760-3085.

Club Events

Events held at McCray Lumber West of I-35 on 67th Street in Merriam Kansas unless otherwise noted

February 12 - Second Saturday - Working with the skew

Call Turn About Wood for details 816-781-4230

Egg Cup Races

The February Monday meeting will focus on Egg Cup Races. Anthony Harris will officiate at the Kansas City Woodturners Egg Cup Race. The challenge is to turn an egg cup as fast as possible. Everyone regardless of skill level can participate in this fun time. Novices will be paired with experienced turners for team competition. Bring your sharpened gouges and lets have some fun at our meeting this month.

Craft Supply Order

Several Members have asked to put together a Club order to Craft Supply. If you would like to order something please contact Russ Blaser at 913-894-2232 or bring your order to the meeting on the 14th.

Your order should include your name and the following information:

Page Number	Item Number	Quantity	Description	Price
