Donate turned Tops, Toys, and Pens for Charity

Donations of Tops, Toys, and Pens for a charity auction will be accepted at the instant gallery registration desk. Please consider donating one or more items. In 2004, over 200 items were donated. Items for 2005 will directly benefit patients of the Children's Mercy Hospital

The hospital is looking for new items to be distributed to patients (children) and the families of patients. Patients are 0-18 years of age. The donations will be given directly to the patients, their siblings, and their families. Only new items are accepted. Some of these children are very sick. Just think about how a nice woodturning could help light up their life!
