9/29/07 – 4th Saturday 8:30am-11:30am. Open lathe morning.

New Members - July

Bill Cupito Shawnee, KS
Steve Nelson Overland Park, KS

July Turning Challenge Winners

Challenge: Turning Tops
1st Place – Walt Johnston
2nd Place – William Hudson

July Demonstrator Jerry Darter

Jerry's topic was turning a bowl from a log. He showed how to mount the bowl blank on a lathe using a screw chuck, with the tailstock as a safety. He then rounded the bowl and formed a spigot for the 4-jaw chuck. The next step was to reverse the bowl on the lathe, chuck the spigot, and turn the inside of the bowl. The final step was to use a jam chuck to reverse-turn the bowl and finish the bowl's foot. Jerry made it look easy.

**August Demonstration
Round Robin featuring the KC Woodturners**

Bring your lathe tools and safety glasses to the August meeting and, if you like, something to turn. This meeting will be a little different. Instead of a single topic demonstration, we will have a turner at each of our ten lathes doing something different. You will be able to circulate around the lathes and have a chance to try your hand at something new or interesting. Come prepared to turn!

August Turning Challenge

Remember the June Turning Challenge? It was make a turning from at least three pieces of wood glued together. The August Turning Challenge is similar. It is to make at least three separate turnings, then assemble it into one piece. How you assemble the pieces is your choice. They can be stacked, glued, threaded, etc.

Woodcraft Supply
8645 Bluejacket Rd.
