September Meeting Demonstration

Three 20-Minute Woodturning Demo Vignettes

Chip Siskey, Merle Schneck, and Anthony Harris each gave a 20-minute short demonstration on one of their favorite subjects.

Chip showed how to temporarily attach and easily remove a chucked waste block from a woodturning. Merle imparted his knowledge of lathe tool grinding fixtures and showed how to get repeatable results with your grinding setup. Anthony demonstrated tool technique for making plane cuts, standard beads, coves, etc. as well as how to make a vee-thingie.

KCWT Annual Auction October 8th

The Annual Auction will be held at our regular October meeting. The auction is always great fun and it helps our club sponsor nationally-known woodturners like Stuart Batty. A partial list of auction donations is included in this newsletter. The donating companies have been really good to us this year. This is your club's biggest fundraiser of the year. Please attend, bring lots of money for bargains, and be prepared have a good time.

Dick Woodhouse, Bud Schenke, and the auction committee have been doing a terrific job mailing letters to suppliers asking for donations. Many donations have already arrived and more are yet to come.

This is also a wonderful opportunity for members to donate unused items to the auction, like tools that have gathered dust in your shop for years, where they will be graciously accepted. Non-woodturning items will also be accepted. **Please bring your donations** to the auction at the October KCWT meeting or call Dick Woodhouse at 913-851-5917.

Deanna Rose Children's Farmstead

Top Turning Event, September 9th

The Kansas City Woodturners, under the guidance of Frank Novich had a successful day of turning tops on Sunday September 9. The crew of turners assisting Frank were as follows; Jerry Darter, Dick Woodhouse, Edd Maxwell, Dean Thomas, Jim Faherty and Bud Schenke. 160 tops were turned and sold, or given away with \$150 turned over to the Deanna Rose Children's Farmstead organization. A great time was had by all.
