### October Meeting Turning Challenge

There will be no October Meeting Turning Challenge due to the Annual Auction. But, in case you like lots of planning time, here's a heads up: The November Meeting Turning Challenge will be "Holiday Ornaments" (any holiday you prefer).

**REMINDER !!****OVERLAND PARK ARTS and CRAFT FAIR  
Saturday - September 27, 2008**

The KC Woodturners Association will have a Benefit Booth at the Overland Park Arts and Craft Fair. The cost of the Fair has been paid for by concerned members of the Club and ALL PROCEEDS will go back to the Club to be used for lease payments due in 2009.

We need members to donate items that we can sell at the Fair. The success of the Fair depends partly on the ability of our members to donate merchandise.

Craft donations such as the items listed below will be needed:

Pens	Bottle Stoppers
Fan/Light Pulls	Tops
Flower Holders	Money Clips
Refrigerator Magnets	Wood Jewelry

Please give a suggested selling price for your donations.

Art donations will also be needed in all price ranges. If your suggested selling price is over \$200.00 the donor will receive 50% of the selling price and the Kansas City Woodturners will receive 50% of the selling price. These items should be priced in \$5.00 or \$10.00 increments. (Craft items may be priced in \$1.00 increments)

All donations should be at the KCWT Clubhouse no later than our September 8<sup>th</sup> meeting where there are special tables for donated items. If you missed the deadline, please call Russ Blaser or one of the Club's officers.

After the Art Fair on September 27th all unsold items will be returned to the KCWT Clubhouse to be returned to the donor.

Location of the Overland Park Arts and Craft Fair is:

Santa Fe Commons Park  
81<sup>st</sup> Street & Santa Fe Drive  
Overland Park, KS  
9:00AM till 5:00PM September 27<sup>th</sup>

Set-up will be Friday, September 26<sup>th</sup> after 2:00PM. Please help if you can.

Volunteers will be needed to help and there will be sign up sheets at the next meeting for work assignments

If you have any questions contact Russ Blaser at 913-894-2232 or email [russblaser@everestkc.net](mailto:russblaser@everestkc.net).

The following Election Committee has been appointed to assemble a slate for the coming KCWT Board of Directors election for 2009:

Dick Woodhouse, Chairman	(913) 851-5917
Bud Schenke	(913) 438-2020
Jerry Darter	(816) 363-2658

If you are interested in becoming a 2009 Kansas City Woodturners Association officer or have any questions about serving in a responsible position for your club, please contact a KCWT Club officer or any person on the Election Committee. We would be very happy to talk to you.

## Last September Meeting's Woodturning Demonstration

### Bowtie Bowl Inlays with Parker Nicholson

Our own KCWT member Parker Nicholson demonstrated his methods of saving cracked wooden bowls using inserted wooden bowties. Parker said he doesn't use the bowties to pull the cracks shut, but rather to control any further cracking. The cracks become a "feature" for the bowl with the bowties drawing the eyes to the cracked area. This is another useful technique for the woodturner's bag of tricks.

## Last September Meeting's Turning Challenge

### "LIDDED CONTAINER"

Kent Townsend

Steve Miller

Judy Chesnut

Last month's Turning Challenge theme was the LIDDED CONTAINER. First place went to Kent Townsend. Second place was a tie that went to Steve Miller and Judy Chesnut. All of the challenge entries were terrific!
