2009 Annual Dues Increased to \$60 per Household

The year 2008 held some big changes for the Kansas City Woodturners Association. After a number of years of free rent we started paying \$1,450 per month for our fine clubhouse. Along with the rent payment comes a signed lease that cements our position at this location. The Kansas City Woodworkers Guild moved in with us and helps us pay the lease. After much deliberation, the 2009 KCWT annual dues were increased to \$60 per household. Household means people living under a single roof and can include spouse, significant other, family members, extended family members, etc.

Acknowledgements were emailed and surface-mailed to those KCWT members who donated to the Clubhouse Lease Fund in 2008. If you donated and did not receive your acknowledgement, please contact Kevin Neelley at treas@kcwoodturners.org or call 913-492-6522.
