April's Demonstrator Jerry Darter

Jerry turned a platter using silver maple. Jerry used a beading tool from Ashley Isles in England. Using the tool with the bevel up Jerry demonstrated beading on both sides of the platter. Jerry mentioned that the beading tool purchased at a New York distributor can now be purchased at Craft Supplies. Thank you Jerry, for your ability to share your interest in turning to the novice or expert.

May's Demonstration Cabriole Leg by Ed Bergstedt

Ed Bergstedt will be showing us how to create the graceful cyma curve of the cabriole leg.
