American Association of
Woodturners

Linda McMaster to show at AAW

Linda McMaster's piece entitled "Sand Dance" was accepted by the jury for the AAW Spirit of the Southwest exhibition. Over 130 entries were submitted and reviewed by the jury for the show. After careful consideration, 30 pieces were selected for the exhibit. Linda VanGehuchte, exhibition chairperson said, "The works selected exemplify sound technical skills and reflect the aesthetic capabilities of the artist whose creations will make this a memorable and outstanding exhibition. We are very pleased by the diversity of styles, materials and techniques this exhibit will showcase, and how the works reflect the scope of contemporary woodturning." The 23rd Annual National AAW Symposium will be held Friday, June 26 - Sunday, June 28 at the Albuquerque Convention Center. Congratulations to Linda.

KCWT & KCWG Joint Open House June 13th

The Woodturners and Woodworkers are sponsoring a joint open house on June 13th. The open house is scheduled for 10:00 a.m. to 4:00p.m. There will be woodworking and woodturning demonstrations. Areas to display your wood projects and talk to people who have come to check it all out. Both Woodcraft and Metro Hardwoods have been promoting this event in their flyers and advertising. This is the perfect opportunity for use to share our interest in our craft and to recruit new members to the club. Mark you calendars and plan to coming in to the club house for a little while on the second Saturday. This should be a better opportunity than the wood show to find new members, the people who will be attending are coming because they are interested in what the two clubs have to offer. Let's not miss out on this chance to show them what we've got..

May's Demonstration Cabriole Leg by Ed Bergstedt

Ed Bergstedt showed us how to create the graceful curve of the cabriole leg. Using proportions of the length of the leg and off setting centers, the off-set tapered leg will smoothly transition in to the foot of the leg.

Demonstration for June

Steve Trauthwein, President of the Independence Woodturners will be our demonstrator for the June meeting. Steve will be working with spheres.

Club Challenges

There are still some challenges for the rest of the year. Put on your creative hats and start turning.

July - Bottle Stoppers
September - Lidded

August - Table Accessories
November - Ornament

WOOD CHIPS

Learn to turn with Joe Ruminski

Mark your calendars for August 8th - 10th, the Kansas City Woodturners present Joe Ruminski.

Joe will be demonstrating and teaching turning of the "false" hollow form, onion vase, multi center wall hangings and then adding color, burning and texturing. The hands on classes will allow the beginner to be successful while challenging the advanced turner to go further with smaller and crisper details. Students should be able to complete two projects each day and class members will determine which projects will be taught.

Saturday August 8th, Joe will be demonstrating from 9am to 4pm the cost is \$25.00 which includes lunch. Sunday August 9th and Monday August 10th are hands on classes from 9am to 4pm. The cost for each of these days is \$90.00, which includes your materials, but lunch is on your own.

For more information or to register for classes contact Gerald McMaster.

Club Events Calendar

All events are held in the basement of the building at 9701 W 67th Street, one block west of I-35 in Merriam Kansas. The entrance is on the west side of the building.
