KCWT Holiday Party

The December meeting was our annual holiday celebration. This year the gathering had a new twist. The evening started with the election of officers for 2010. The slate was presented and approved by the majority of the members present. We feasted on hors d'oeuvre and desserts, shared good conversation. This year's twist was a team challenge as the entertainment of the evening. Twelve teams were grouped together and presented with the challenge to turn a snowman figure in 12 minutes. Running four lathes at a time, each group chucked up their blanks and prepared for the challenge. The timer began and shaving started flying. Working in shifts the teams created the frosty figures. Novice to experienced turner, every seemed to enjoy the competition, and camaraderie of the evening.
