

A local chapter of the
American Association of
Woodturners

Open House Dampened by Rain

The Kansas City Woodturners and the Kansas City Woodworker's Guild held an joint open house Saturday, June 12th from 10:00 a.m.— 4:00 p.m. The turnout was light with the day dampened by rain.

The turnout was light with the day dampened by rain.

Rain Clean-Up

Rain in June

did more than dampen the open house , it managed to soak the floor of the clubhouse. Monday June 14th crews spent most of the day moving equipment out of the water and vacuuming up the water and trying to dry out the carpet.

The decision was made during that week that the carpet should be removed. A small group of workers from both clubs started before 8:00 a.m. on Saturday and worked until close to 4:00p.m. cutting up the carpet, rolling it up and moving it to the back room. Then using two rented scrapers the glue residue was

removed from the floor. A big thank you to all that helped with all the hard work that has been put in over the last month to get things back in to shape.

July's Demo and Challenge

Anthony Harris will be demonstrating making a friction fit lidded box. The challenge is the carryover from June. To make something for or used at a picnic

Club Events Calendar

All events are held in the basement of the building at 9701 W 67th Street, one block west of I-35 in Merriam Kansas. The entrance is on the west side of the building.
