January 2011

WOODCHIPS

A local chapter of the
American Association of
Woodturners

KCWT Holiday Party

The December meeting was our annual holiday celebration. The evening started with the election of officers for 2011. The slate was presented and approved by the majority of the members present. We feasted on hors d'oeuvre and deserts, shared good conversation. This year's team challenge was turning a tree. Eleven teams were grouped together and presented with the challenge to turn a tree figure in 12 minutes. Running four lathes at a time, each group chucked up their blanks and prepared for the challenge. Working in shifts the teams created the trees.

January Demonstration

John Burrignt will be demonstrating the steps of making bottle stoppers for the demonstration in January.

Club Events Calendar

All events are held in the basement of the building at 9701 W 67th Street, one block west of I-35 in Merriam Kansas. The entrance is on the west side of the building.

The Kansas City Wood Working show is January 28-30, 2011. Once again the KCWT will have a booth at the show to feature our craft.

Rick Bywater will coordinated the sign-up of the demonstrators, booth helpers, and people to move and set-up our equipment in our space at the show and to also tear-down and return it after the show.

We are also partnering with Craft Supplies in their learn to turn area. Craft Supplies Inc. is supplying the lathes, kits and blanks to turn pens. Our club members will assists people in this learn to turn a

pen. John Burrig will be coordinating the pen turning sign-up.

This is one of the biggest chances the club has to highlight the what our club has to offer to a large audience of prospective members. We will be presenting a variety of woodturning demonstrations during the three day event, and having a display area to showcase items made by club members. We also want to be interacting with the people who have come by the booth at the show.

Sign-up sheets to demonstrate, be a booth helper or help with the pen turning at Craft Supply, will be at the January meeting. Plan on attending the show, stop by the booth and spend some time talking to the show attendees. Every bit of enthusiasm that can be shared with prospective new members well be greatly appreciated.

The show is held at the [Overland Park International Trade Center](#) Exhibit Hall at 6800 W. 115th St. Overland Park, KS. 66211 Show Hours are: Friday 12-6, Saturday 10-6 , Sunday 10-4
